From the Principal – Mike Black

What an amazing year it has been at Carine Primary School. As the school year draws to a close, I would like to start by thanking our supportive school community. Parents and caregivers give so much of their time to support our educational program and school events. The P&C are tireless in their efforts to raise funds and build the community spirit and our dedicated School Board works hard in their governance role to help us determine our school direction. A huge thank you, to all.

A big thank you also goes to the wonderful school staff. Our teachers, education assistants, administration staff, gardener and cleaners are all dedicated to their roles in the school. They work hard and do an amazing job. Below, we name those staff who will be leaving the school at the end of this year. I would like to especially thank you for your contribution to the school and for your dedication and determination to provide students with the best educational experience possible.

To all our students, have a wonderful and safe holiday. The personal qualities of the students in this school came through very strongly in the school reports. You have worked hard and while you deserve this well-earned break, take some time to help around the house and look after your parents who have looked after you all year.

To our Year 6 students and to students who are leaving, we wish you every success in your new school. Remember that "Carine" will always remain your school.

Instrumental Music Assembly

Parents of students participating in the Instrumental program through IMSS, were showcased the student's musical ability and skills at our annual Music Assembly. The students and tutors have worked extremely hard this year and it was wonderful to see and hear them play their favourite pieces for the students.

Assemblies Rooms 6 and 7

Well done to our final two classes who completed their assemblies in recent weeks. Firstly, Room 7, Year 2 presented a French themed assembly using the skills they have learned in French lessons. It was 'magnifique!' This week we had Room 6, Year 2 present their assembly on 'Television'. This was great fun with lots of entertaining skits. Well done to both classes.

School Development Days

The School Board has endorsed the School Development Days for 2023. The compulsory dates are 30-31 Jan and 15 Dec. The other 3 will be 24 April, 3 & 6 November.

Sustainability Update

Last week, the year 5 students conducted a waste audit with the company WRITE Solutions. We received a grant from the City of Stirling to conduct these sessions, which give the students new insight into which items can be recycled. Our Year 5 students will now be well placed to take a leading role in our school to 'reduce, recycle and reuse'.

Sustainable Vegetable Garden

Work has begun on the school's new vegetable garden. The area has been retained and levelled and the garden beds, irrigation and fencing are to be installed soon. This is a project done in partnership with our P&C and we thank them for their support. Next year, we will be looking for further community participation in encouraging volunteers to work with the school in the upkeep of the area as well as participating in the educational programs with the students. We will put out a call early next year to parents/ grandparents/ interested community members who have skills, time and would like to help with the program.

Year 6 School Camp

The Year 6 school camp was held in Week 5 at the Ern Halliday Camp site. The children had a fantastic time so have a look at the photos in this newsletter. Many thanks to our Year 6 teachers and their ECU student teachers for giving up so much of their time to organise and attend the camp.

Kindy -Pre-Primary Sports Day

The Kindy and Pre-primary Sports Day took place on Wednesday of last week. The children took part in running races as well a tabloid of fun team games. Thanks to the teachers, Education Assistants and volunteer parents who worked hard, training the students to be ready for the big day. Particular thanks to Mrs. Barber for organising the day.

2023 Councillor Speeches and Voting

The Councillor voting for next year's Year 6s, took place last week. The students did a wonderful job with their speeches in front of the Year 4/5 cohort and staff. As usual, Mr Adams enlisted the services of the Electoral Commission to conduct the election. This not only ensures a fair and transparent process but is a great learning opportunity for students.

Year 6 Carine SHS Orientation

All our Year 6 students have been attending Orientation Days at their chosen high schools over the past few weeks. Last week, our Year 6 students who will be attending CSHS attended their Orientation Day. The students, as always, came back feeling very excited and far less anxious about the year ahead.

Staff Farewells

We are sad to be farewelling two of our valued Education Assistants at the end of 2022. Mrs Lorna Kindness and Mrs Sandra Doroszenko will be leaving Carine Primary School at the end of this year after many years of dedicated service to the school. We thank these two ladies for all they have done for the school and wish them all the best for the future.

School Requirements

To ensure the smooth running of the school day, please see information further in the newsletter regarding drop off /pick up of students or items during the school day.

Timetable Change

It is important that the school does all it can to maximise the learning for our students. Experience has taught us that the lesson time prior to lunch, and particularly prior to recess is the most valuable time for student learning. Next year, the School Board has approved the trialling of a timetable change which brings some extra learning time prior to recess for PP-Yr6 students. This means that recess and lunch breaks will move back by around 30 minutes. This is in line with most other schools and will mean a shorter afternoon for the students.

As the children become accustomed to the change, we advise that children have a good breakfast and bring a healthy Crunch and Sip snack that they can eat prior to recess if required. The start and end of the day times **will not** change.

School Day Times CHANGED for 2023

Start of Day: 8.45am
Recess: 11.00 – 11.20am
Lunch: 12.50 – 1.30pm
End of Day: 3.00pm

Finally, allow me to wish everyone a very Merry Christmas and a wonderful new year.
