NOTES:-

- The amounts collected for charges vary from year level to year level depending on the nature and range of optional activities undertaken. Students only incur a cost when they are involved in a particular activity. The estimated amounts indicated for each year level (K-6) represent the maximum amounts anticipated being charged for activities. Very few students in a year level participate in the full range of activities available. Instrumental music and PEAC involve only a small number of students.
- Please note all costs involving student travel have been adjusted to include the cost of seat-belted buses as requested by the majority of the School Community.
- Personal items and school uniforms have not been included in the schedule. All uniform items are available from the school's uniform shop.
- Details in the table are based on the amounts paid by parents and receipted by the school over the last several years.
