Optional Inhale Area
Carine Primary School
or
Karrinyup Primary School

Optional Inhale Area
Carine Primary School
or
Lake Ovalup Primary School

This map is based on a written description of the local-inhale area (LIA) for the school as published in the WA Government Gazette. Although the map closely represents the LIA description, for some houses near the boundary (especially on street corners), it may be necessary to refer to the written description. The street address of a residence is used to determine whether that dwelling is inside a particular LIA. The LIA description can be found in the School Profile Gazette" (usually in a December issue) and subsequently this map will be updated. For any enquiries contact: Department of Education.

Map created 22/01/2013 by Strategic Asset Planning Branch, Department of Education WA

CARINE PRIMARY SCHOOL
SCHOOL CODE - 5605
Local-Inhale Area boundary published December 2006
