

SUNSMART POLICY

Our SunSmart policy has been adopted to ensure that all staff and children attending Carine Primary School are protected from skin damage caused by the harmful UVR from the sun. It is to be implemented throughout all months of the year as per the Sun Smart guidelines. The sun protection practices outlined in this policy will be applied to all school activities, including sports carnivals, excursions and camps. The policy has been developed in consultation with the staff and the School Board.
