FROM THE PRINCIPAL

Welcome back to Term 3 and although it’s been cold and wet, we have had a very successful and smooth start to the term. Thanks to all parents and carers for ensuring our children have returned well equipped, well rested and ready for another term of learning. There is truly some amazing learning going on at our school.

This morning, I must apologise for the traffic situation at drop off time. “Fitzy” (Brad Fitzgerald) from the 96FM Radio Team is one of our Dads. Lucas is in Ms Chee’s Pre-Primary class and his Dad wanted to be here at drop off time to see him off to school. The weather was absolutely against us but the short visit went off really well. The radio team commented on the great manners of the children, some of whom were able to sit inside the bus, as well as the many others who greeted the team and were given souvenir treats as they came to school. A special thanks to Amalie for lending me ‘her’ umbrella for the bus visit. It wasn’t until I saw her Mum searching for it that I’d realised she was being a bit liberal with her permission!

**Kindy Enrolments** - if you know of anyone who has kindy age children and who may have missed all the advertising, can you remind them to come in as soon as possible to complete enrolments. Our Principal’s network meeting is coming up where we look at our kindy numbers across our network to ensure we are able to offer places within our accommodation and staffing capacities. Also, if you have current Kindy students at the school, please remember to complete the note given to parents regarding your request for ongoing placement at Carine PS for Pre-Primary 2017. If you have not already done so, please return to your Kindy teacher or Admin Office as quickly as possible.

Please see the last page of the newsletter for information on the upcoming Australian Bureau of Statistics Census on Tuesday 9 August.

---

**Merit Certificates & Assembly Pre-Primary 2**
Congratulations to the following Student Councillors for Semester 2 – we know you will do a great job to represent our school in an excellent manner.

Year 6 Boys
Oliver, Riley, Mitchell, Anthony

Year 6 Girls
Grace, Heather, Jasmine, Shanika

As you are aware the Pokemon Go craze is really big and is having an impact on all parts of the Perth Community as players search for characters and play the game using their mobile phones. We ask that parents understand that this game is classified for Parental Guidance and, while we acknowledge that it is of interest to the millions of its followers, it holds potential pitfalls for young children. These include not watching where they are walking, being lured to an area to catch Pokemon characters, being engrossed for too long in the virtual world rather than the real world and, particularly with young impressionable children, seeing fighting to take over buildings and landmarks as a normal fun activity. The game has a lot of strategy and relies on maps and GPS reading skills so there are learning opportunities within it but please know what your children are doing on their mobile phones. In this case, please be the parent who is there to give the appropriate guidance and set firm ground rules for your children.

Unfortunately we have again been the victims of vandalism with graffiti being found on our doors and broken glass on our netball courts. We have also had numerous uninvited visitors around our buildings after hours and they have left all kinds of unsavoury rubbish for our cleaners and gardeners to find. Please remind your children, particularly older children, to stay off school premises after hours and on weekends. Carine is blessed with plenty of public open space and these are the areas that our community should be using. Of course, anyone is welcome to kick a footy on our oval but for our age children, we would ask that they be accompanied by an adult at all times. Our grounds are not visible from the road and our children need adult supervision in these circumstances. Our cleaners and gardeners have also felt intimidated by the sheer numbers of unwanted visitors in our grounds, many of whom have been using our building areas as skateboard parks and gathering places to get up to all kinds of mischief. If you see people around our buildings, please phone Education Security on 92644771 and report it.

Finally, there has been some recent petitioning, by way of door knocking, for Out of School Hours Care facilities to be placed at Carine Primary School within our current buildings. Just so you are all aware, this issue has been considered by the Board and has been the subject of lengthy discussions at P&C meetings and amongst staff. While we understand that OSH Care on our premises would be convenient for some families, there are good reasons why we don’t have such a facility. There is currently no suitable facility at our school which could be used for the provision of OSH Care without adversely impacting on the school’s usage and access. All of our facilities are in full use. We know it is always a challenge to manage out of hours care and we therefore support the various providers of this service to our Carine kids.

Anne Fraser
FROM THE DEPUTY

Nationally Consistent Collection of Data (NCCD)
All schools in Australia, including Independent and Catholic schools, will participate in the Nationally Consistent Collection of Data on School Students with Disability every year. The Data Collection is an annual count of the number of students with disability receiving educational adjustments to support their participation in education on the same basis as students without disability.

All education agencies are now required under the Australian Education Regulation 2013, to provide information on a students’ level of education, disability and level of adjustment to the Australian Government Department of Education. Data will continue to be de-identified prior to its transfer and no student’s identity will be provided to the Australian Government Department of Education.

The collection of this information from states and territories will inform future policy and program planning in relation to students with disability. If you have any questions, please do not hesitate to contact the Principal, Anne Fraser, or the Western Australian Department of Education NCCD Helpline on 0477 741 598.

Leanne Vardy

FROM THE PE TEACHERS

School Faction Cross Country
Children from Years 3 to Year 6 who wish to try out for a place to compete at the Interschool Cross Country will be given an opportunity to participate in the School Cross Country on Tuesday 26 July. Trials will be run between 10.50am and 12.15pm on the school oval.

| Year 3 – 1000m | Year 4 – 1500m | Year 5 – 1500m | Year 6 – 2000 m |

Students are requested to bring water bottles, hats and appropriate footwear. Selected children from this event will be chosen for the Interschool Cross Country to be held at Davallia Primary School in Term 3, Week 4 - Tuesday 9 August 9.30-11.30am. Please note: If the weather is inclement then the cross country will take place at any time during the afternoon or the rest of the week.

Jodie Nolan & Larraine Peirce

FROM THE TEACHERS

Toys for Charity

Do you have a room full of unwanted or out-grown toys? Curtin University Radio Station 100.1FM runs a Santa’s Workshop. Old toys are cleaned, mended and given to the various charities to hand out to the children in need over Christmas.

If you have a collection of toys or books that your children don’t play with any more, or you just want more space back in your cupboards, start a big clean out. Please bring all toys to Pre-Primary 2 for collection by the organisers of Santa’s Workshop. Wool is also in big demand. Thanking you in anticipation of your support.

Yvonne Chee – Pre-Primary 2
FROM THE LIBRARY

Book Fair
It’s that time of year again – you’re invited to our Scholastic Book Fair for Term 3 Week 5. We look forward to seeing you in the Library for some wonderful book bargains! Every sale benefits your child’s school.

ADMINISTRATION

Applications for Kindy 2017
(Children born between 1 July 2012 to 30 June 2013)
Applications to enrol children entering Kindergarten for the 2017 school year are available from the School Admin Office or online at www.carineprimary.wa.edu.au under the ‘School / Enrolment’ tab.

Voluntary Contributions
Every dollar of your contribution helps our students and our school. It equates to $1.50 per week over the school attendance year. If you are unsure whether you have paid for this year or not, the Admin Office can check your record – call 9447 4266.

Please pay your 2016 School VOLUNTARY CONTRIBUTIONS
Kindy to Year 6: $60 each student each year

Pay by either:-

| Bank Transfer | Carine Primary School Voluntary Contributions | BSB: 066 157

FREQUENTLY ASKED QUESTIONS ABOUT THE 2016 CENSUS

AUGUST 9 IS CENSUS NIGHT. OUR MOMENT TO PAUSE AND MAKE A DIFFERENCE.

What is the Census?
The Census of Population and Housing (Census) is Australia’s largest statistical collection undertaken by the Australian Bureau of Statistics (ABS). For more than 100 years, the Census has provided a snapshot of Australia, helping to shape our nation’s education, health, transport and infrastructure.

When is the next Census?
The next Census will be held on August 9.

What does the Census mean to Australia?
The Census provides important information about Australia’s people and their housing. It helps estimate Australia’s population, which is used to distribute government funds and plan services for your community.
In 2016, the Census will count close to 10 million dwellings and approximately 24 million people, the largest number counted to date.

What should people expect this Census?
From August 1, most households will receive a letter from the ABS, addressed “To the Resident”. The letter will include your household’s unique Census Login and instructions on how to complete the Census online, as well as directions on how to order a paper form.

How many people are expected to complete the Census online?
In 2016, more than 15 million people are expected to complete the Census online.

Why go digital?
Completing the Census online is fast, easy, secure and environmentally friendly and helps reduce the cost of the Census to the community.

Can I still complete a paper form?
Yes. If a household is unable to access the internet or would prefer to fill out a paper form, simply call our automated paper form request service. You will need your 12-digit Census Login from the letter you received.
Paper forms must be completed and returned in the Reply Paid envelope without delay - don’t wait for a Census Field Officer to collect it.

I have received a paper form. Can I complete it online?
In some locations, households will receive a paper form upfront with the option to complete the Census online. If you’re able to access the internet, just follow the simple instructions on the front of the form to complete it online.
If you complete it online, do not mail back your paper form – please recycle.

Will personal information be shared with other government departments?
No. The personal information which you provide in the Census is not shared with any other government departments or agencies including the police, Australian Taxation Office or Centrelink. The ABS is legally bound to protect the privacy of all Australians and will not release your information in a way that will identify any individual or household.

What happens to my personal information after the Census?
After data collection and processing, the ABS will remove names and addresses from other household information. Names and addresses will be stored separately and securely from other Census data. Names and addresses will be destroyed four years after collection or earlier, once there is no longer any community benefit from their retention.

Is the Census compulsory?
Yes. Everyone in Australia on Census night must complete the Census. It’s the law.

Where can I find out more information about the Census?
If you have any questions, like what to do if you’re not home on Census night, how to complete the Census in a share house, or what to do if you don’t receive your letter, please search Census.
