FROM THE PRINCIPAL

Congratulations to Riley and his Ice Hockey Team who brought home the Gold Medal and Trophy for the National Championships in Under 13 years division. This is the first time in 33 years that Western Australia has won Gold.

Just a reminder to all parents and community members that you are invited to come in and view our fencing plans which are displayed in the Admin office until the end of next week. We will be here to help answer any questions and if you would like to provide feedback, please put it in writing so it can be passed on accurately. As I mentioned in the last newsletter, it is not about pitting one point of view against another, but rather allowing everyone to have the opportunity to have an input. As Principal, I can guarantee that all written feedback will be passed onto the Department’s project managers and discussed. The plans allow for open access to our oval and the perimeter fencing is around the building areas. There are several gates where there are access paths now and these will remain open during school hours. Access to the City of Stirling playground will still be available to our students at recess and lunchtimes, and the community groups such as the netball teams and footy teams would also have access during their training times.
Ms Cvijic has been working busily with our choir who will have be performing at the Crown Theatre next Thursday evening. A special thanks to Karis Thompson from our P&C for assisting in getting our choir members some colourful accessories so they sparkle on the stage during their performance. A big thanks also to our P&C for their support in contributing funds for the new accessories for this event. Ms Cvijic shows amazing energy and I know our choir children will make us proud of their efforts again this year. Remember parents that tickets are available through Ticketek and it is always a very special and professionally run event.

Book Week – Wednesday 24 August
On Wednesday 24 August as part of Book Week, all students from PP – Year 6 are asked to bring along their favourite book and dress up as a character from a book. During the day, there will be a short parade for PP to Year 2 students to show off their costumes.

The theme for this year’s Book Week is Australia! Story Country. With this in mind, please discuss with your children the possibilities of who they could dress up as and which book they would like to bring to school. Alternatively, the students can dress up as their favourite character. We thank you for your support in assisting us to celebrate the wonder of books.

Secret Security Business Webinar

Secret Security Business was a webinar that was streamed live to classrooms. It was an interactive webinar that focused on internet safety and ways that we can protect ourselves being online in relation to keeping ourselves and our friend’s identity safe and helped us to identify scams. We were able to chat live to the host of the webinar answering and asking questions. We thoroughly enjoyed discussing various situations we may encounter whilst using the internet and ways that we can seek help if we ever encounter problems.
**Toys for Charity**

Do you have a room full of unwanted or outgrown toys? Curtin University Radio Station 100.1FM runs a Santa’s Workshop. Old toys are cleaned, mended and given to the various charities to hand out to the children in need over Christmas.

If you have a collection of toys or books that your children don’t play with anymore, or you just want more space back in your cupboards, start a big clean out. Please bring all toys to Pre-Primary 2 for collection by the organisers of Santa’s Workshop. Wool is also in big demand. Thanking you in anticipation of your support.

Carine Primary School RUN CLUB

School run clubs have major flow on benefits such as increased fitness, health, attendance and concentration levels at school, and even being more competitive at Interschool running events.

If you are interested in becoming involved (and you won't be expected to help every week) please email Kristy Lind on randk.lind@bigpond.com

We are trialling the run club to see how successful it is, realising there may be tweaks needed as we go along.

For the trial we are offering:

- **Participants** - Pre-primary, Year 1 and 2 are invited to participate but parents must be in attendance. Year 3 to 6 can participate without parent attendance. At this stage it won't include Kindy.
- **Time** - Weekly on a Friday morning – 7:50am start to 8:30am finish – Please be prompt.
- **Where** - Students will meet in the undercover area at the school and will be taken back there following the session to proceed to their classrooms. The running tracks will be set up on the two ovals adjacent to the school.
- **Volunteers** - We will set up a roster for volunteer parents. If we do not get a lot of volunteers then we will have to roster parents on whose children are attending every few weeks. We welcome you to bring down your running shoes and get fit with your children. A key to success of this program at other schools has been parent participation.
- **Program** - Personal Trainer, Misty Lord, will design the program and is happy to help support run it. If you have any particular skills in this area please do not hesitate to contact Kristy Lind on randk.lind@bigpond.com or 0417 178 709.
- **Authorisation Form** - All students must submit an authorised form prior to attending a session. Find the form on the Carine Primary School Website under the P&C tab. Forms can be submitted to the P&C mail box or emailed to randk.lind@bigpond.com.
- **Behaviour** - We will have a three warning system for children to address any bad behaviour. This is a volunteer program so if the child is not willing to behave they will not be welcome to attend. We don't see this being a problem at Carine Primary as we have great kids!
- **Cancellation policy** - If it is raining the morning of Run Club, then it will be cancelled so don't send your children to school early.

Run Club is a free initiative supported by the Carine Primary School P&C. Any questions contact Kristy Lind on 0417 178 709.

We have sold the last Entertainment Book!

Thanks to all those who supported the school.
We are looking for a Buddy Representative to take over this important role from Natalie Sheridan. This role requires a good working knowledge of Excel and databases. Weeks 1 & 2 at the start of the year are quite time consuming, setting up the buddy rep system, after that it is sending out emails on an as need basis. If you are interested, or have any questions, please do not hesitate to contact Natalie via email at teamsg4@bigpond.com.

We are seeking a new person to be the lunch order contact person. This is a role with minimal requirements on a week by week basis and is simply a point of contact for Duncraig Senior High School, if required. At the start of the new school year, you will have approx a 1 hour time commitment. If you are interested, or have any queries regarding this role, please contact Natalie via email at teamsg4@bigpond.com.

This will be my last year co-ordinating this fundraiser for the P&C. If you are interested in taking the coordinator role in 2017 and want to see how I round out the season and award prizes, please do not hesitate to contact me - Natalie, teamsg4@bigpond.com
