

CARINE P&C NEWS

Messages from the Meeting

Mr Black spoke about the school's response to the growing number of COVID cases in the school. Whilst this has been the dominant issue for the School Admin of late, we are pleased that teachers are working hard to continue to deliver the curriculum to students, as normal.

Thanks to Mr Menzie and Mr Adams for their efforts at the swimming carnival. Most had a fantastic day and we were blessed to go ahead. Investigations are underway for electronic nomination forms for next year, to ensure all children can participate. Inter-school swimming carnival will proceed on 5th April.

COVID procedures continue to change and are provided by the Education Department. Thanks were passed to parents and the community for their understanding and support. Assemblies have been taking place via Webex and the school has adapted really well.

Practice Naplan tests are happening on 24 March.

Reading Eggs donation was made to the school. There are a number of initiatives for 2022 for the circa \$70k funds raised.

Year 6 Grad Committee is up and running, planning Pizza Day, Ice Cream Day, Easter Egg Raffle, Colour Run, Jump Rope for Heart, amongst others. Leaving Shirts have been ordered.

The Playground Project sub committee is exploring grants and will be liaising with the school to progress some initiatives.

Alana Fredrickson, P&C President

Mother's Day Stall – Dads Take Over

This year, we're flip reversing. We need Dads and father figure volunteers to help man the stalls – contact Blake Jaenke if you can help – email treasurer.cpspandc@gmail.com
