

CARINE PS SCHOOL BOARD REPORT TERM 3 2022

New MCS - Welcome Sue Logan: Board members welcomed our new MCS, Sue Logan. Sue comes from North Beach PS and will be working from Tuesday to Friday. We are thrilled to welcome Sue to the school and acknowledge the wonderful job done by Debbie Humphry over the past four years.

Curriculum Area Reports:

Hass and Science Updates: Both the HASS and Science Committee Co-ordinators gave an overview of the priorities that the school is committed to, as part of a whole school focus. These include Planning and Teaching/Resources/Indigenous culture. The Reconciliation Action Plan (RAP) Committee promotes culture through texts/Integrating key Aboriginal dates, Noongar Language, seasons and greetings and community partnerships. The Science Committee is working together for students to have fun, be engaged and understand the processes of Science throughout the school with a focus including;

- Professional Learning for staff
- Inter committee communications
- Outside agency links
- Purposeful liaisons with CSHS
- Developing school documents
- A STEM learning focus
- Indigenous perspective

National School Improvement Tool (NSIT) Feedback: During the last School Development Day, the staff was asked to reflect on the school's performance against the nine domains of the NSIT. There was open and robust conversation on the self-reflection and results were encouraging. The school is continually striving to improve processes and practices for the benefit of our students.

Annual Report:

The Board enjoyed looking at the Annual Report, commenting that it was an extremely comprehensive document, providing an in-depth overview of all that the school was doing. The level of engagement from all students was very rewarding. The Board congratulated the school on its achievements. The report is available through the school website.

Personal Items 2023: Board members viewed the draft copies of the 2023 Personal Items List where minimal changes have been made. The Board endorsed the Lists for 2023.

Fees and Charges 2023: Board members were provided with an itemised Fees and Charges Schedule for 2023. The School Board approved the Schedule of Fees and Charges Summary for 2023.
