Interschool Athletics

The Interschool Athletics Competition was held at Joondalup Arena with 8 schools competing from the Carine District. This year Carine finished 5th overall but won the Meritorious Shield which is awarded to the school showing the greatest improvement. Well done, Carine. Congratulations to the winners this year - Poynter PS. Medals to Violet Year 6 - Runner Up / Gabriel Year 6 - Runner Up / Emma Year 3 – Champion. Well done!

Assemblies

We've had three assemblies. Firstly, Rooms D3 and 11 conducted the much-loved Book Week assembly. This was another wonderful occasion where students and staff got into the spirit by dressing up as their favourite book character. There were lots of colourful outfits and we were amazed at the level of effort from everyone. Next, Room 4 presented an assembly celebrating Dads in line with Fathers' Day. Students spoke about their dads and told a series of 'Dad Jokes' which were both lame and funny at the same time! Lastly, Room 16 took us all on an exciting holiday into Asia. We boarded the plane and learned some interesting facts and statistics on the way. Well done to all classes.

Year 6 Fun Day

Congratulations to our Year 6 students, their teachers and parents for all the preparation that has already gone into the Fun Day to be held on the last day of Term. The whole school will be treated to a huge range of games, activities and food. This has been a very well organised event and the students had to present their business case to their teachers for approval prior to the day. It's a 'Favourite Sport' free dress day and will be an enjoyable afternoon for the whole school. Thank you, Year 6.

Dance 'til You Drop

Next term, all students from PP-6 will participate in "Dance 'Til You Drop" classes. This will run for 7 weeks, and students will be working towards a dance presentation which will be presented to the community at our End of Year Concert. This program has been heavily subsidised by a Federal Government Wellbeing Grant. Information has already been sent out via CONNECT. Many thanks to Miss Matthews for all her efforts in organising this activity.

Fathers' Day Stall

Our P&C continue to work so hard to not only raise funds for our school, but also to organise events that build community and to provide a service. I'm sure that the Carine Community would like to thank the organisers and volunteers who put on this year's Fathers' Day stall, giving every child the opportunity to purchase an inexpensive gift for Fathers' Day.

Parent survey

Many thanks to those families who took the time to complete this year's Parent Opinion Survey. The information we collect from this survey is very valuable to our school in our journey to achieve continuous improvement. The results of the survey will be published in our 2023 Annual Report.

Happy Holidays

As this very busy term ends, we wish all our students and staff a safe and enjoyable holiday. We hope everyone will get to enjoy some quality family time together. Term 4 begins on **Monday 9 October**.

Magpie swooping season

With magpie nesting season now underway, the City of Stirling is encouraging all residents and visitors to take extra care when outdoors for the next few months.

While the distinctive warbling of magpies is a pleasant feature of this native bird for most of the year, magpies may display protective behaviours such as swooping to protect their young from mid-August to November. It is important for the community to be aware and prepared for magpies. We have about 500 parks in 100km² in the City of Stirling, so naturally that is home to a significant wildlife population, including magpies.

City of Stirling want people to stay as safe as possible by reducing the risk of being swooped, so measures have been taken to help increase community awareness but at the end of the day it is a natural behaviour for magpies. The City has recently installed signage reminding the community to take care at several popular parks including Clarko Reserve, Maurice Hamer Park, Jackadder Lake Reserve, Yokine Regional Open Space, Breckler Park and Dianella Regional Open Space.

Magpies usually swoop from above and fly low and fast over a person, often snapping their beaks as they pass overhead. However, instances where magpies swoop from below or ground level have occurred in the past.

If you are outdoors during this time of year, follow these tips to help reduce the impact of a swooping magpie:

- Look out for caution signage, stay clear of nesting sites and plan alternative routes
- Wear sunglasses, a wide-brimmed hat (especially kids) or carry an umbrella
- Do not provoke magpies
- Travel in groups if possible
- If riding a bike or scooter, dismount and walk-through nesting territory
- If you are swooped by a magpie, stay calm, walk away but do not run, and avoid looking towards the swooping birds.

To report a swooping incident within the City of Stirling, phone (08) 9205 8555.
