Celebration of the Arts

We are very much looking forward to the school's third annual 'Celebration of the Arts' evening taking place on Wednesday 23 October. Once again, we will be treated to an amazing display of the artwork our students' have been working on this year. We will also include entertaining presentations from our talented Instrumental students and the school choir. Many thanks go to Mrs Hart and Miss Young for their massive effort in putting the event together. Sincere thanks also go to our Instrumental teachers, Miss Cvijic for preparing the choir and the many parent helpers who will be helping with the setting up of the display and who will be working on the P&C stalls.

Assemblies

Congratulations to Year 5 Room 13 for their entertaining assembly help yesterday. Room 13 described the importance of accuracy when doing procedural writing. They illustrated their points beautifully through a play about following recipes in the Carine Primary Masterchef Competition. Very well done room13 and Miss Magditsch.

School Development Days

A reminder to parents that we have School Development Days scheduled for Fri 1 AND Mon 4 November. These days are very important for our self-review processes and for our 2025 planning. Students DO NOT attend on these days and we hope you can use these days for some family time.

Year 6 School Camp

The Year 6 school camp is fast approaching. The children are very excited about the event taking place in Week 5. The children are spending four days at the Woodman Point campsite and will be participating in all sorts of adventurous activities including archery, flying fox and orienteering. We hope they and their teachers and education assistants, have a wonderful time.

Kindy Orientation

This year we are again organising two Kindy Orientation sessions. Our kindy teachers have invited our 2025 students into the kindy for some activities to familiarise themselves with the school. Hopefully, this will ease some of those first day anxieties that many students may experience. The first of these sessions is on Wednesday 23 October and the next will be on Wednesday 20 November. The Kindy Parent Information Session will be held on Wednesday 6 November.

High flying Students

Congratulations go to Sam from Year 6 who came in first place in his category at the 2024 BMX Racing National Championships. This is an amazing achievement for Sam and we are very proud of him.

Congratulations also go to Finn from Year 5 whose team won the U11's 2024 TRG Rugby Cup Championships held in Singapore and Malaysia. Finn's team went through undefeated and in fact didn't even concede a point against them. Fantastic effort Finn.

Headlice in Schools

The prevention of the spread of headlice in school is a constant battle as primary students play and work in close proximity to each other. One strategy that schools use in this fight is to insist that students with hair longer than shoulder length, have it tied back. We greatly appreciate parents' support in this matter.

Kiss And Drive

The Kiss and Drive is great facility to allow parents and carers an opportunity to drop off and collect their children efficiently without needing to leave their car. The system involves following a set of procedures designed to keep the Kiss and Drive moving. When the procedures are not followed, we end up with congestion and inefficiency. **Remember! The driver should not leave the vehicle.** If children need help getting in the car, then the Kiss and Drive is not for you. Please find a place to park. For this reason, the Kiss and Drive is not suitable for picking up Kindy or Pre-primary students.

There is always going to be some congestion at pick-up and drop off times at schools the size of Carine. Our aim is to allow everyone to collect their children efficiently and safely. Please continue to be patient and courteous at these busy times.

--	--

General

- **Please do not arrange to collect your child during** morning recess or lunch time as staff are unable to find students whilst they are playing outdoors.
- **Fridays all day are part of the school week** – please arrange holidays etc after 3pm.

- **Days either side of pupil free days** are also school days so please ensure children attend school – signing out of students during the day causes interruption to Admin and Teachers.
- **Parking** – please adhere to parking limitations around the school, be courteous and do not park in the school driveways.
- **Smart Watch / Mobile Phone** – student smart watches & mobile phones are not to be turned on during the school day. If students need to contact parents during school time, they need to speak to the Admin Office.
