From the Principal – Robert Adams

Faction Swimming Carnival

The faction swimming carnival took place on 18 March, being a great day of competition and fun for all the students in Years 3-6. Students could choose to swim 25 or 50 metres from Freestyle, Breaststroke, Backstroke and Butterfly. Students also had fun in the dive pool participating in the novelty events. We wish to thank the many parent helpers on the day for giving their time to assist and to staff for their diligence throughout the day. Also, a special shout-out to Mr Menzie, our PE Specialist, for another great job as the 2026 swim carnival event coordinator. And finally thank you to all the students who made it such a great day. Well done!

Interschool Swim Carnival

We are looking forward to the Interschool Swim Carnival Term 2, Week 2 Tuesday 28 April at HPC (High Performance Centre), the old Challenge Stadium. We will be competing against a number of primary schools from around the district. Spectators are welcome to attend. We wish all the competitors the very best for the carnival.

Carine Camp Out

Last weekend the Carine Camp out which was organised by our fathering group, the Carine League of Dads, was a terrific success. Thank you to the P&C and all the Carine dads that made this happen. The students had a terrific night.

Kiss and Drive Car Bays

Do you use the Kiss and Drive before or after school? We regularly publish the rules for the use of the Kiss and Drive in newsletters and on CONNECT yet we still regularly have people leaving their vehicles in the Kiss and Drive bays while they walk their children into school or collect them. **If your children require escorting into school or need to be picked up from the classroom door the Kiss and Drive is NOT for you!!** People who leave their cars cause great congestion and inconvenience. This puts our students at risk. Please, park in OTHER bays if you need to leave your car – not the Kiss and Drive bays.

Smart Watches, Phones and Jewellery

Parents and students are reminded that there are strict rules around phones and smart watches at schools. These rules apply to all schools and are governed by legislation.

- While in the school grounds, the use of mobile phones by students is not allowed and phones must be turned off, kept in the student's bag. Phones can be used only after leaving the school grounds.
- Smart watches can be worn but must be placed in Aeroplane Mode or School Mode while at school so that messages and phone calls cannot be received during school hours. Children wearing these devices are agreeing not to alter settings during the school day and understand that consequences, in line with our behaviour policy, will apply for breaching the policy.

WE THANK PARENTS FOR THEIR ONGOING SUPPORT IN THIS MATTER.

- Staff have noticed an increase in students wearing jewellery to school. These items are not part of our school uniform and can pose safety risks during play. Jewellery can easily be lost or damaged, which often leads to upset students. Please remind your child that this guideline comes from a place of care and concern.

ANZAC Service

The service will be held in Week 1 of Term 2, on the morning of Thursday 23 April. Students are welcome to wear their service uniforms. Parents and carers are welcome to join us for this important occasion and we hope to see you there.

RAINBOW RUSH is coming again

Carine Primary School's Rainbow Rush Fun Run is coming again! Thanks to the effort of our Parent Community. It will be held in Week 5 of next term, on Tuesday 19 May on the Carine Primary School Oval.

Last year the funds raised went towards the awesome new drink fountains – this year the P&C are hoping to contribute to updating the school signage and an intentional play area. Just like last year there will be individual prizes, whole class prizes and random spot prizes to be won including chances to slime a teacher at the event, Subway lunches, cupcake afternoon teas, extra lunch time, Gecko sports incursions and more. The same fundraising portal as last year will be used and in the first week of school next term students will receive a letter to take home to show parents and ask them to 'sign me up!'. Early registrations next term will get you immediately in a draw to slime a teacher at the Rainbow Rush Fun Run!

Staff Carpark is for Staff or Service Vehicles ONLY

Please note that the **Staff Car park is for STAFF and service vehicles only**. Parents are to use parking outside of the school gates.

School Holidays

The last day of Term 1 is **Thursday 2 April** and students return to school for Term 2 on **Monday 20 April**. We wish our families and staff a wonderful, relaxing holiday. Enjoy and be safe.

Assembly Room 5

Faction Swim Carnival Results and Champions

It was a fantastic day for all involved. Congratulations to all who got in the pool and challenged themselves. Results:-

Red 1104 points 1st Place

Blue 973 points 2nd Place

Green 836 points 3rd Place

Gold 817 points 4th Place

TERM 1 CARINE OSHCLUB NEWSLETTER

LEARNING THROUGH PLAY, EVERY DAY

REGIONAL DIRECTOR MESSAGE

As I've visited services over the past term, one of the things that has stood out most is the energy in our spaces – children deeply engaged in play, building genuine friendships, and growing in confidence in their own unique ways.

Our Play Your Way and Sound Safari themes have really brought this to life. Whether it's children leading their own experiences, trying something new, or proudly sharing what they've created, it's been incredibly rewarding to see their confidence and sense of belonging continue to grow.

What I value most is that these moments aren't just "activities" – they're opportunities for children to feel capable, connected, and heard. That's something I'm really proud of across our services.

Thank you for your ongoing support in helping us create spaces where children genuinely want to be. We're looking forward to carrying this momentum into our Holiday Program and welcoming even more children into the experience.

WHAT WE'VE BEEN LEARNING

PLAY YOUR WAY

Children led their own play through exciting experiences including science, sports, cooking, and nature-based activities. This approach encouraged independence, built confidence, and supported strong friendships as children explored their interests in a fun and supportive environment.

SOUND SAFARI

Children explored rhythm, movement, and global sounds through hands-on musical experiences. From creating instruments to experimenting with beat and pitch, children developed creativity, teamwork, and confidence through self-expression and performance.

OSHClub

SERVICE SNAPSHOT

"This term at Carine, we've seen fantastic engagement from children, particularly in friendships. It's been wonderful to see friendships continue to grow."

Focus & Engagement in Activities

Children have been highly engaged in planned experiences, showing focus, curiosity, and a willingness to try new things.

Active Play & Energy

At Carine, children have thoroughly enjoyed active play, with high participation in games and outdoor experiences that support teamwork and wellbeing.

Confidence & Participation

We've seen a noticeable growth in confidence, with more children stepping forward to try new experiences and actively participate in group activities.

Holiday Fun! Book Now.

Our upcoming Holiday Program, **The Great Outdoors**, is packed with exciting experiences designed to keep children engaged, active, and having fun. From our action-filled Survivor Big Day Out to the relaxed and social experience of Barefoot Bowls, there's something for every child to enjoy. Alongside these special excursions, children will take part in a variety of creative, active, and hands-on activities each day.

Places are limited, so we encourage families to secure their bookings early – we can't wait to welcome both familiar and new faces these holidays!

MU Murdoch University

Mathematics and Physical Sciences After School Program

SINCE 2001

FOR STUDENTS AGE 10 AND UP

Physics Primer

1 Mondays 4.30 - 6.30pm
2 \$225 per student each term

Students perform calculations to learn about atoms, molecules, elements and compounds and progress to calculations in topics such as gases, specific heat and chemical solutions. Students may also train for the Australian Science Olympiads Examination for Physics and/or the Open Universities Australia units *General Physics* and/or *Principles of Physics*.

Chemistry Primer

1 Thursdays 4.30 - 6.30pm
2 \$225 per student each term

Students perform calculations to learn about atoms, molecules, elements and compounds and progress to calculations in topics such as gases, specific heat and chemical solutions. Students may also train for the Australian Science Olympiads Examination for Chemistry and/or the Open Universities Australia unit *Fundamentals of Chemistry*.

Mathematics Primer

1 Fridays 4.30 - 6.30pm
2 \$225 per student each term

Students consolidate their Arithmetic and are introduced to Algebra, Geometry and Trigonometry, followed by Calculus and other areas when required. Mathematical topics are taught at each student's pace, and students learn mathematical conventions and techniques.

The Murdoch University After School Program in Mathematics and Physical Sciences has been running since 2001.

All sessions are at Murdoch University, South Street Campus, Building 450, Floor 3, Room 001. Parking available in carpark 4.

Sessions are tailored to each individual student and students may begin at any time during the term. Refund will only be given if course is cancelled by our Program.

Sessions commence the second week of each school term and do not run on public holidays. All subjects require pen or pencil and notebook, and may require a scientific calculator. Bottled water is permitted in classrooms and students should bring a healthy snack.

Payment may be made online: payments.murdoch.edu.au/PrepCourses

If you have financial difficulty contact Coordinator 0427 864 740

To enrol

To obtain enrolment information, provide the age of the student and email: AfterSchoolProgram@murdoch.edu.au or phone 0427 864 740 (afternoons and evenings).
