Moira Watson Retirement – our very much loved Kindy teacher, Moira Watson has retired after her many wonderful years teaching. Moira has started the academic years of many Kindy students and she has also taught lots of children of her previous students. We wish Moira and her family a happy, joyous retirement and thank her sincerely for her contribution over many years to Carine Primary School.

2019 Interschool Swimming Carnival

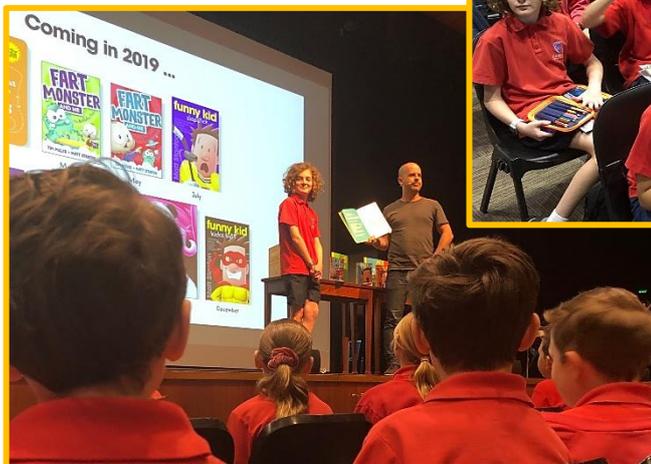

On 4 April the Carine PS interschool swimming team competed in the A Grade School Sport WA Primary Swimming Carnival at the Venues West HBF Challenge Stadium. The team of 29 students performed outstandingly throughout the day, demonstrating amazing swimming skills and an excellent display of sportsmanship. Our team came fourth overall and achieved 8 x first placings, 11 x second placings, 6 x third placings.

The Year 6 boys 4x50m freestyle relay team of Marcus, Blake, Cooper and David broke a long held record by 2 seconds. Lua and Jasper won Champion girl and boy in the Year 4 and under group, while Lili-May and Blake won Runner Up Champion girl and boy in Year 5 and Year 6. All the competitors should be very proud of their Carine team spirit and the endeavour shown to be the best they could be at an elite level. Special thanks to all the staff, students and parents who assisted in making the carnival a great success.

Scribblers Festival

Rooms 12, 13 & 14 had an excursion to the Scribblers Festival which is an annual festival of literature and arts for young people celebrating the magic of storytelling! The primary objective of the Festival is to instil the importance of books and creativity in children's lives, as tools to help them thrive in, understand and communicate with the world around them.

FREE SEMINAR for CARINE PS Parents – Kindy to Yr 3 Triple P Positive Parenting Program

All parents and carers of students in Kindy – Year 3 are invited to attend a free Triple P (Positive Parenting Program) seminar at Carine Primary School this term.

The Power of Positive Parenting

This seminar introduces parents to the five core principles of positive parenting;

1. Ensuring a safe, engaging environment
2. Creating a positive learning environment
3. Using assertive discipline
4. Having realistic expectations
5. Taking care of yourself as a parent

The seminar will be facilitated by our School Psychologist Luciana Carell and includes a presentation and discussion/ question time.

Triple P is designed to give parents the skills they need to raise confident, healthy children and to build stronger family relationships. Triple P doesn't tell people how to parent. Rather, it offers simple and practical strategies that parents can adapt to suit their own values, beliefs and needs.

- When:** Wednesday 29 May
- Time:** 9am – 11am
- Venue:** Carine Primary School – Conference Room
- Cost:** Free – however bookings are essential.

Registrations can be made by completing the form below and returning it to the Admin office.

Getting Results

It's natural to want your child to do well at school and some parents use a reward such as money to encourage their children to get better grades. I've often heard of parents offering their child money for every "A" on their end of term report card. One of the problems with giving children financial incentives for good end-of-term grades is that the reward comes too long after the effort is made.

Rather than waiting till the end of term, it's much more effective to set up a system of rewards which are brief and frequent and which encourage positive daily habits. These daily habits then build towards an eventual outcome, such as a good homework and study routine.

However, you can encourage children to build good study and homework habits without having to resort to offering money. Why not try a reward such as spending time with your child doing an activity they really like? Or you could offer a special treat you know they'll enjoy. The object is to encourage good routines by giving extra attention and praise or small frequent rewards when they are doing the right thing.

When kids are struggling that little bit of extra attention can encourage them into new patterns of behaviour – and they may end up getting that A after all!

Lying

Pre-schoolers sometimes mix up reality and fantasy, but we expect that by primary school, children will know the difference between the two.

To discourage lying, parents need to explain to their child why lying is wrong and the consequences of lying.

For example, you could briefly and calmly tell your child: "Tania, I feel disappointed when you lie. It makes it hard to believe anything you say. If you keep telling lies you will find that nobody will trust you."

Give your child opportunities to be honest and praise them for telling the truth. Your positive response will encourage them to repeat their honesty in future. Even when a child admits to telling a lie, praise them first for their honesty, before proceeding with the disciplinary consequences.

If your child is finding it hard not to tell lies, you might need to set up a written contract signed by you and your child. This contract should state what you expect your child to do and the rewards and consequences that will follow. If they have lied, the consequences for that behaviour are clearly listed in the contract.

As your child learns to not lie, you will no longer need a written contract as you and your child will have established a more permanent contract of trust.

Kids as Consumers

It could be anything from breakfast cereal at the supermarket to an expensive new video game. Chances are though, your child has a very clear idea of what he or she wants you to buy.

It's hardly surprising when you consider children watching two hours of television a day will be bombarded with around 10,000 advertising messages every year.

So, with children being groomed to consume from a very young age, some parents may feel powerless when the pestering starts. But there are ways to help children express their wants – which is natural and not necessarily negative – yet prepare them for the disappointment of not always getting everything they want.

First, you should help your child understand why you will or won't buy something. Rather than telling your son he can't have something, "because I say so", you could explain why the product isn't suitable. Is it offensive or too expensive? Perhaps the child can have the item when they reach a certain age. Explain once and don't let your child interrogate you. You can also help your children become better informed consumers by teaching them the value of money. Give them a set amount of pocket money to spend as they like. Even six year olds soon learn they can't buy

anything once the piggy bank is empty.

And finally, remember you're a role model. Think about what you say and do in front of your kids. If you constantly discuss other people's worth or success in terms of how much they earn, how much they have or what they've bought, your child is going to accept those values as important.

SAVE THE DATE CARINE PS FETE

SATURDAY 26 OCTOBER
10am – 3pm

If you are great at organising and want to have some fun, then here is your time to shine!

The 2019 Fete Committee are now calling on each class to nominate a fete stall coordinator and a theme for your stall. A list was sent to parents via the buddy reps of stalls which we must fill to make the fete work, and also a list of ideas from previous fetes to help your creative flair.

We would like all classrooms to nominate by the end of May 2019, and it will work on a first in first serve basis. We will ensure we email you back promptly to confirm whether the stall idea you have submitted will be ok and if it has been allocated to your classroom.

Please email randk.lind@bigpond.com with your stall coordinators contact details and the stall your class wishes to run.

The Fete is only held every two years and is one of the P&C big fundraising events. It is also a great event for the children and families to enjoy in their local community.

This year we are planning to introduce commercial stalls to the fete which will hopefully add to the attraction. We are planning to offer commercial stalls to families at the school first, and then work from a first in first serve basis. We have not established the structure for this yet so more information will be sent once it becomes available.

We look forward to hearing from your class on their great idea towards making this fete magnificent.

JOGATHON 2019

Please remember to forward money raised as quickly as possible with the Jogathon form to the P&C post box. You can also deposit directly into the P&C account (not to the school account). Thank you.

Woolworths Earn & Learn is on again and we are collecting the stickers for Carine PS. If you shop at Woolworths between now and June 25th you will earn 1 sticker for every \$10 you spend. Collect the stickers, stick them onto a sticker sheet and when it is full, drop it in the collection box at the back of the assembly area at school. If you run out of sheets or can't print one off (sent via Buddy Reps), just drop your stickers in the box.

We also have a collection box at Woolworths Whitford City and will hopefully have one at Woolworths Karrinyup soon, so please tell your family and friends to drop their stickers in also. The more stickers we collect, the more equipment we earn for the school.

The Carine League of Dads

On Sunday 5 May an introductory BBQ was held at Chas Riley Reserve for Dads who have signed up to the Carine Primary School Fathering Project group, "The Carine League of Dads". This was the first event for the group since the launch party on 28 February.

Mark Humphries, an official from The Fathering Project gave a brief talk to the 22 fathers and father figures who attended about the importance of effective fathering and fathering techniques. Guide books from The Fathering Project were also handed out to Dads. Following lunch, Dads and kids engaged in some sports including footy and a game of cricket.

The CLoDS leaders are planning some more events including a pizza and paper planes night for Dads and kids and a Dad's day out. Any Dads interested in signing up to the Fathering Project can do so at <https://thefatheringproject.org/dads-group/carine-primary-school/>. If you are interested in reading more about the Fathering Project, see <https://thefatheringproject.org>
