From the Principal – Mike Black

As we expected, with the changing of the COVID protocols we have seen an increase in cases across the school. While many students are isolating, teachers are working hard to ensure the program at school continues as normal as possible and also to provide for the students at home. We really appreciate the community support in informing the school of positive tests and in keeping unwell children at home. In Term 2, schools will move to level 1 health measures which may allow us to ease our COVID protocols further.

We wish all our students and staff a wonderful and well-deserved holiday after what has been an 'interesting' term to say the least. Term 1 ends on April 8 and school returns on Tuesday April 26.

Firstly, let me thank those parents who have volunteered their time to take on a role in the P&C. The role the P&C plays in our school is vital and there are so many resources, programs, events and facilities that would not exist were it not for P&Cs both past and present. The P&C has some amazing plans for our school going forward, so please consider becoming involved in any capacity you can.

For those members who are not continuing in your roles, thank you so much for your contribution to the school. I would like to make special mention of Nicky Suckling who has passed on the baton of P&C President after 3 years. Nicky's has made an amazing contribution to the school in her time as President and I'm sure everyone joins with me in thanking her for her service in that role.

Colour Run

This year, the P&C has decided to add a new fun dimension to the usual Jogathon that takes place in Term 2. This year, the event will be a Colour Run which is scheduled for May 3, 2022. This is a very exciting initiative that I know that the students are really looking forward to. Please get behind this P&C fundraiser as every dollar raised gets put back into the school to improve resources and programs. Look for the P&C's notice in this newsletter as families do need to register to receive the rewards on offer.

Interschool Swimming Carnival

We are looking forward to the Interschool Carnival on Tuesday 5 April at Challenge Stadium. The good news is that with the change to COVID restrictions for the outdoor pool, spectators are now welcome to attend. However, spectators must remain in the spectator area and not enter the student area. For those parents who cannot attend, there will still be a live stream of the carnival. Mr Menzie will send the link before the carnival. We wish all the competitors the very best for the carnival.

Easter Raffle

Collections for the Easter Raffle have begun. Many thanks to those who have made donations. We have had a very good response. The donations of Easter goodies are being bundled into prizes, ready for the draw on April 7. You can support the P&C by donating an egg/rabbit etc, and by purchasing raffle tickets. Please see the P&C's notice in this newsletter.

ANZAC Day

On Friday 8 April, the school will be commemorating ANZAC Day with a service held via Webex. The service will be run by our Student Councillors and follow the traditional service format. It is disappointing we will not to be able conduct our usual service with the community, but we will ensure the students are part of a respectful ceremony to mark this important occasion.

Congratulations Lacey

Congratulations go to Lacey (Year 6) who competed in the under 12s Girls 1500m in the State Championships earlier this month. Lacey ran a great race finishing with the Silver Medal. Well done, Lacey.

Free Dress Superhero

On Thursday 7 April, the children are invited to come to school dressed as a superhero (or in free dress). We are asking children to bring a gold coin donation which will be supporting a children's cancer charity, Kids Cancer Support Group.

Kiss and Drive

The Kiss and Drive is great facility to allow parents and carers an opportunity to drop off and collect their children efficiently without needing to leave their car. The system involves following a set of procedures designed to keep the Kiss and Drive moving. When the procedures are not followed, we end up with congestion and inefficiency. Our P&C has approached the City of Stirling for some fresh road painting in the hope to remind parents to follow the procedures.

The rules are published again in this newsletter, but in a nutshell the key points are:

- It is designed for students who are waiting. If children are not waiting, parents should take a minute or two to circle around and come back (perhaps if your child is regularly late, consider delaying your pick-up for 5 minutes).
- The driver should not leave the vehicle. If children need help getting in the car, then the Kiss and Drive is not for you. Please find a place to park.

There is always going to be some congestion at pick-up and drop off times at schools the size of Carine. Our aim is to allow everyone to collect their children efficiently and safely. Please continue to be patient and courteous at these busy times.

Congratulations to the Year 3-6 boys and girls who won champion and runners up medals in the Senior Faction Swimming Carnival on Tuesday 1 March. There were plenty of amazing swimming efforts throughout the day and the students showed great endeavour and sportsmanship. A big thank you to all staff involved and to parents who helped out and attended to show support. Well done everyone – it was an awesome event and we are so lucky it was able to go ahead!

HERO HUNTER DAY

When: Thursday 7 April 2022

Who: All year groups (Kindy - Year 6)

What: Come dressed as a SUPERHERO (or free dress) AND bring a gold coin donation.

ALL donations will go to the ☆ Kids Cancer Support Group ☆

Why:

"Hero Hunter" Leigh Madden was just 8 years old when he tragically passed away from cancer. Hunter had been battling Leukaemia for 5 years, since he was just 3 years old.

To honour his memory and celebrate his 9th birthday on April the 1st 2022, Carine Primary School is joining other schools in having a Hero Dress Up Day. Students are invited to dress as superheroes and make a gold coin donation to raise funds for Kids Cancer Support Group, a local Childhood Cancer Charity.

Dress as a SUPERHERO or free dress and raise much needed funds and awareness for childhood cancer.

In Term 2, we are hosting a **Colour Explosion School Fun Run** for our **PP to Yr 6** students to raise money for our school.

**The big day is coming! We are so excited to host the
Colour Explosion School Fun Run
afternoon of Tuesday 3 May 2022**

As the event approaches, further information around timing and parent involvement will be provided once event details are finalised and up to date COVID restrictions are known. Children will be required to bring a white T-Shirt for the event.

To fundraise visit www.australianfundraising.com.au and create your child's cybersafe fundraising profile. Instructions are in your child's sponsorship booklet. You have until 10 May 2022 to fundraise, so make sure you get cracking!

Your child can earn Prizes! Help your child fundraise more by setting a fundraising goal! It's okay if they change their mind as you order their preferred prizes at the completion of the fundraiser. Prizes can be viewed within their fundraising booklet and posters displayed around the school.

Thanks in advance for your support, and happy fundraising! **Aeron & Angela, Yr 6, Fundraising Committee**

ORAL CARE RECYCLING PROGRAMME

Carine PS has joined the Colgate Oral Care Recycling Programme. Collect your Oral Waste – (see below), send it to Terracycle and the environment and our school will be beneficiaries.

Program accepted waste: Toothpaste tubes and caps, manual toothbrushes, electric toothbrush heads, toothbrush and toothpaste tube plastic packaging, floss containers.

Not accepted: Please recycle your cardboard packaging in your kerbside recycling bin. Electronic toothbrush handles and bases are not recyclable through this program and instead should be collected and shipped separately through the [Electric Toothbrush Recycling Program](#), which has specific shipping requirements.

Visit www.terracycle.com/en-AU/brigades/oral-care-brigade-au# to find out how you and your family can send in your oral waste. Reducing Landfill and helping the environment. Just add Carine Primary School as your nominated Charity and we can use the monetary benefit towards sustainability projects at school. Thank you.

KISS & DRIVE zone at Carine Primary School

There are 6 bays on Osmaston Road at the front of the school operating as designated Kiss & Drive vehicle bays, especially set aside for the set down and pick up of students before and after school.

Please ensure your children leave or enter from the LEFT side of the vehicle – parents MUST remain in the vehicle.

Teach your child to get in and out of the vehicle as quickly as possible to give consideration to all users of the zone.

The process is: -

1. Move as far forward as possible
2. If you are Car #1 and your **child is not ready for collection**, you need to leave the position and drive around the roundabouts and join the back of the queue on Osmaston Rd.
3. Car #2 will then move up to position #1. **If your child is not ready for collection**, you need to leave the position and drive around the roundabouts and join the back of the queue on Osmaston Rd.

This is a continuous flow process.

It is important that you: -

- Only enter the Kiss & Drive zone if you can SEE your child is ready to be picked up
- If you cannot see your child, drive around the roundabouts on Osmaston Road and re-join the queue.
- When you enter a Kiss & Drive bay, remain in the car with your engine running and handbrake on.
- DO NOT get out of or leave your car unattended in the Kiss & Drive zone.
- Remember to INDICATE right when you are ready to re-enter the traffic flow.

If your child needs assistance with seatbelts, park your car OUTSIDE the Kiss & Drive area to collect your children.

The City of Stirling rangers will periodically patrol the area.

Please help everyone to safely use the Kiss and Drive and all other parking around our school correctly.

Thanks for your cooperation.
